COMMERCIALIZATION OF SCIENTIFIC AND INNOVATIVE DEVELOPMENTS

SOFTWARE DEVELOPMENT AND CONSULTING SERVICES

IMPROVING FUNCTIONALITY

WEBSITE DEVELOPMENT
Incubation Center of Inha University in Tashkent was opened on November 26, 2020.

The main goal is to increase the quality and quantity of created innovative products among talented students.

The incubation center creates favorable conditions for implementing the original scientific - technical ideas, the effective operation of small innovative projects.

The goal is to involve 15-20 projects in the incubation center program by the end of 2021, developing two hackathons and 20 start-up projects.

Plan - completion of 2 incubation programs in 2021 and holding events for 20 start-up projects.
